Lawn BYO/Potluck Picnic and Ginkō

(You may want to bring a blanket and/or low chair; dress appropriately in layers)

Saturday, June 8, 2024, 11:00 AM - 2:30 PM

Gather at the Visitor Center (to the left of the Main Gate, at the intersection of Wildcat Canyon Road and South Park Drive). Easiest parking is in the parking lot across from the Garden on Wildcat Canyon Road; it is also where the restrooms are located. For a map and more information, please visit this URL site:

After the picnic, YTHS member and Garden Docent David Sherertz will lead a brief tour of the Garden. Then you can wander on your own, write, and come back to share. Wear comfortable walking shoes for the Garden trails that are sometimes uneven. It will be a great time for flowers in the Garden, and the bulb beds should have good displays. One of the flowers expected to be in bloom in early June is mariposa tulip. Mariposa tulip is listed as a summer kigo in our own San Francisco Bay Area Saijiki. We need more haiku examples for the next version of our Saijiki. Please come and be inspired!
